

## Curriculum vitae

---

### **Dr. Bashir Abdrhman Bashir Mohammed**

Associate Professor of Hematology

Medical Laboratory Consultant

Port Sudan Ahlia College

Port Sudan, Sudan

#### **Contact address:**

Department of Hematology, Faculty of Medical Laboratory Science,

Port Sudan Ahlia College, Sudan

Tel: +249 311 826537; Mobile: +249912358772 P.O box 423

E-mail: [bashirbashir17@hotmail.com](mailto:bashirbashir17@hotmail.com)

Skype: [bashirbashir8](https://www.skype.com/user/bashirbashir8)

ORCID 0000-0002-5089-9531

*Last updated July 2022*

Name: **Bashir Abdrhman Bashir Mohammed**

First name: Bashir

Last name: Mohammed

Date of birth: 6<sup>th</sup> of February 1976

Place of birth: Port Sudan, Sudan

Sex: Male

Marital status: Married with three children

Nationality: Sudanese

Languages: Arabic (mother tongue)

English (reading, writing and speaking)

Permanent Address: Department of Hematology, Division of Medical laboratory

Sciences, Port Sudan Ahlia College, Sudan

Tel: +249 311 826537; Mobile: +24991 235 8772

E-mail: [bashirbashir17@hotmail.com](mailto:bashirbashir17@hotmail.com)

### **Qualifications:**

2001 Bachelor of Medical Laboratory Sciences (April 2001),  
Division of Medical Laboratory Sciences, Port Sudan Ahlia  
College, Sudan

**Major specialty is Hematology**

2010 Master of Hematology (June 2010), Faculty of Medical  
Laboratory Sciences, University of Gezira

Thesis title: **Hematological peripheral change in Patients with  
Pulmonary Tuberculosis**

2016 PhD in Hematology (April 2016), University of Gezira, Sudan

Thesis title:

**“Coagulation profile in Patients with Dengue Viral Infection  
In Port Sudan teaching hospital, Red Sea State, Sudan”**

### **Previous and present positions:**

October, 2001 – June, 2010	<b>Teaching assistant</b> , Department of Hematology, Medical Laboratory Sciences, Port Sudan Ahlia College, Sudan.
July 2005 Up to date	<b>Laboratory Supervision</b> and <b>Director</b> of Awaad Medical Center (Private sector).
June, 2010 – January, 2015	<b>Lecturer</b> , Department of Hematology, Medical Laboratory Sciences, Port Sudan Ahlia College, Sudan.
January, 2015 up to date	<b>Chairman</b> of Hematology Department
November, 2015	Upgrade to <b>Assistant professor</b>
December, 2016	Upgrade to <b>Secretary of Academic Affairs</b>
April, 2019 up to date	Pending Upgrade to <b>Associate professor</b>
October, 2020	Upgrade to <b>Graduate Studies &amp; Scientific Research Coordinator</b>

### **Other professional experiences:**

June 2001 – December 2001	Medical Laboratory Technologist, National Health Laboratory, Port Sudan, Sudan.
January 2002 – June 2002	Medical Laboratory Technologist, Blood Bank, Port Sudan, Sudan.
January 2008 – June 2008	Medical Laboratory Supervisor, Doctor's Hospital, Port Sudan, Sudan.

### **Membership of society & Council:**

- (1) Member of Sudanese Union Clinical Laboratory Science
- (2) Full registration of National Board of Medical and Health Professions (Sudan)
- (3) Member of the Scientific Council of Port Sudan Ahlia College
- (4) Member of the International Society on Thrombosis and Hemostasis (ISTH)
- (5) Member of editorial board of American Journal of Laboratory Medicine (AJLM)
- (6) Member of editorial board of African Journal of Laboratory Medicine (AJLM)
- (7) Member of International Society of Hematology (ISH) (2017)
- (8) Member of editorial board of SCRIFA Journal of Clinical Medicine.
- (9) Member of Sudanese Society of Clinical Biology (2015)
- (10) Member of Red Sea Medical Association (RSMA) (2018 – present)

- (11) Member of editorial board of international research in medical health science
- (12) Member of editorial board of Journal of Blood transfusion and diseases
- (13) Member of editorial board of Clinical Research in Hematology
- (14) Member of International Union of Universities (International Organization for Academics (2021)

**Consider as peer reviewer for:**

- 1. American Journal of Laboratory Medicine
- 2. African Journal of Laboratory Medicine
- 3. Journal of Hematology and Blood Diseases
- 4. Journal of Blood transfusion and diseases

**Courses attended:**

- 1. **Course title: Microscopic diagnosis of Malaria**  
**Organizer:** The national program to combat malaria, Ministry of Health, Port Sudan, Sudan.  
**Duration:** 13<sup>th</sup> September – 18<sup>th</sup> September, 2006
- 2. **Course title: Laboratory Diagnosis of Malaria**  
**Organizer:** The Malarial Training Center, Ministry of Health Collaborate with World Health Organization, Sennar, Sudan.  
**Duration:** 30<sup>th</sup> August – 24<sup>th</sup> September, 2003
- 3. **Course title: Microscopic diagnosis of schistosomiasis**  
**Organizer:** Federal Ministry of Health, NOAA to combat malaria, Schistosomiasis and Leishmaniasis, Sennar, Sudan.  
**Duration:** 24<sup>th</sup> September – 28<sup>th</sup> September, 2003
- 4. **Course title: Semenology and Assisted Reproduction Advance Techniques**  
**Organizer:** Tygerberg Hospital, South Africa collaborate with Dr. Elsir Fertility center, Khartoum, Sudan  
**Duration:** 2<sup>th</sup> – 3<sup>th</sup> February, 2011
- 5. **Course title: Research Methodology**

**Organizer:** Port Sudan Ahlia College collaborate with Ministry of Health, Medical Laboratory Division, Port Sudan, Sudan.

**Duration:** 12<sup>th</sup> – 14<sup>th</sup> April, 2014

**6. Course title: Scientific writing**

**Organizer:** Port Sudan Ahlia College collaborate with Ministry of Health, Medical Laboratory Division, Port Sudan, Sudan

**Duration:** 12<sup>th</sup> – 14<sup>th</sup> April, 2014

**7. Course title: Advanced course of molecular haematology  
Towards Medical research and diagnosis**

**Organizer:** Ministry of sciences & communication, National Centre for research.  
Tropical Medicine Research Institute, Sudan

**Duration:** 8<sup>th</sup> – 16<sup>th</sup> February, 2015

**8. Course title: Introduction of Flow Cytometry**

**Organizer:** Flow Cytometry Training Center, Khartoum, Sudan

**Duration:** 22<sup>th</sup> – 26<sup>th</sup> February, 2015

**9. Course title: A practical Approach to Blood Cell Morphology**

**Organizer:** Port Sudan Ahlia College, Hematology department

**Duration:** 1<sup>st</sup> to 7<sup>th</sup> April, 2015

**10. Course title: Bioinformatics Under Spotlight**

**Organizer:** Higher Council for Total Quality & Training  
Aloria Alsabaa for Management Training & Human Resources development

**Duration:** 17<sup>th</sup> – 18<sup>th</sup> January, 2016

**11. Course title: Forum Excellence and Quality of Medical and Health professions**

**Organizer:** Port Sudan Academy for Sciences and Administrative System.

**Duration:** 20<sup>th</sup> – 21<sup>th</sup> January, 2016

**12. Course title: Quality Control in Blood Transfusion Services**

**Organizer:** National Council for Medical & Health Professions in  
Collaboration with Professional Specialist Union for  
Medical Laboratories (PSUML).

**Duration:** On 9<sup>th</sup> April, 2016

**13. Course title: Education Technology in University Teaching**

**Organizer:** Khartoum University Center for Advanced Training

**Duration:** 12<sup>th</sup> – 18<sup>th</sup> April, 2016

**14. Course title: Ideal Performance in Routine Investigation Course**

**Organizer:** Continuous Professional Development Center In  
Collaboration with Professional specialist Union for  
Medical laboratories.

**Duration:** 21<sup>th</sup> – 24<sup>th</sup> April, 2016

**15. Course title: Excellence in the Civil and Foreign Education  
Institutions Management.**

**Organizer:** Development & Perfection International Center in  
Collaboration with Ministry of Higher Education

**Duration:** 2<sup>ed</sup> – 9<sup>th</sup> August, 2016 Sharjah- UAE

**16. Course title: Upgrade and Improve the Performance of  
University professor.**

**Organizer:** Academic affairs at Port Sudan Ahlia College

**Duration:** 20<sup>th</sup> – 29<sup>th</sup> October, 2016 Port Sudan

**17. Course title: Academic Advising**

**Organizer:** Academic affairs of Port Sudan Ahlia College

**Duration:** 29<sup>th</sup> – 30<sup>th</sup> November 2016

**18. Course title: Training of Trainer (TOT)**

**Organizer:** Althuraya Training & Human Development center

**Duration:** 25<sup>th</sup> February – 8<sup>th</sup> March, 2017

**19. Course title: Molecular detection of Virus (PCR and RT-PCR  
Techniques)**

**Organizer:** Robert Koch Institute (Germany) and ministry of higher

education and scientific researches (central lab.)  
collaborated with Port Sudan Ahlia College.

**Duration:** 25<sup>th</sup> – 27<sup>th</sup> February, 2018

**20. Course title: Immature Platelet and Clinical Insight into Thrombocytopenia**

**Organizer:** Sysmex Middle-east FZ-LLC

**Duration:** 16<sup>th</sup> October 2019

**21. Course title: Cancer Associated Thrombosis**

**Organizer:** ISTH Academy

**Duration:** 12<sup>th</sup> May 2020

**22. Course title: An introduction to peer review**

**Organizer:** Web of Sciences

**Duration:** 11<sup>th</sup> July 2022

#### **Participation in Scientific meetings, conferences and virtual courses:**

**November 2016** Ministry of Red Sea State, the first conference of medical Laboratory Science (**Attendant**).

**December 2016** National Council of Medical and Health Professions (NCMHP), **the Power to influence change. (Attendant)** 1<sup>st</sup> National Conference, Khartoum, Sudan.

**October 2017 (Presenter)** for Training course organized by the **Sudanese company For Standardization and Metrology**, Red Sea State by **Mazaya Training Center** in titled **General Lab Safety**.

**January 2018** Red Sea Medical Association (RSMA), **All against Infection. (Speaker)** 2<sup>ed</sup> National conference, Port Sudan, Sudan.

**February 2018** Red Sea Medical Association, **Safe Transfusion Nursing role. (Speaker)**, workshop, Port Sudan, Sudan.

**October 2018** Port Sudan Ahlia College, Hematology department partner with International society on thrombosis and Hemostasis (ISTH), **World Thrombosis Day (Speaker)**, workshop, Port Sudan, Sudan.

**April 2020** دروة أساليب وطرق الاستخدام الفعال لقاعدة معرفة الرقمية وخدماتها، منصة عمادة المكتبات، جامعة نجران.

**5 May 2020** الدورة الالكترونية بعنوان (مزايا وطرق استخدام قواعد دار المنظومة) ، منصة عمادة المكتبات، جامعة نجران.

**10 May 2020** الدورة الالكترونية (طرق توثيق مصادر المعلومات في البحوث العلمية) ، منصة عمادة المكتبات، جامعة نجران.

**13 May 2020** الدورة الالكترونية (كيفية الاستفادة من قواعد المعلومات في المكتبة الرقمية السعودية) ، منصة عمادة المكتبات، جامعة نجران.

**17 May 2020** الدورة التدريبية الالكترونية (واقع القراءة في المجتمع العربي وكيفية اكتساب مهاراتها لمواجهة المستقبل الرقمي) ، عمادة المكتبات، جامعة نجران.

**13 October 2020** الورشة التدريبية (المسار المهني الطبي والصحي) ، كلية بورتسودان الاهلية

**December 2020** الدورة الالكترونية (Sage Research methods)، منصة عمادة المكتبات، جامعة نجران.

**6 December 2020** الدورة الالكترونية (Sage Premier Webinar)، منصة عمادة المكتبات، جامعة نجران.

**27<sup>th</sup> January 2021** Roche pro-COAG 2021 Coagulation experts meeting (Attendant)

## New Establishments

<b>4/2015</b>	<b>Undergraduate</b> Medical Laboratory Sciences Curriculum in Port Sudan Ahlia College.
<b>5/2017</b>	<b>Undergraduate</b> Medicine Curriculum in Port Sudan Ahlia College
<b>5/2017</b>	<b>Undergraduate</b> Nursing Curriculum in Port Sudan Ahlia College
<b>3/2017</b>	<b>Undergraduate</b> Psychology Curriculum in Port Sudan Ahlia College
<b>2/2017</b>	<b>Postgraduate</b> Economics and Administrative Sciences Curriculum <b>MBA by course</b> in Port Sudan Ahlia College.
<b>3/2017</b>	<b>Postgraduate</b> Medical Laboratory Sciences Curriculum <b>MSc by course</b> in Port Sudan Ahlia College.

## Teaching and Examination Experience (Undergraduate & graduate)

Course title	Credit hours	Semester/ year	Faculty
Introduction in Hematology and routine Hematological tests	3	Three & four/ second	MLS (PAC)
Red cell & white cell, and Platelet disorders	3	Five & six/ three	MLS (PAC)
Basic Coagulation & immunoematology	3	Five & six/ three	MLS (PAC) & (ESC)
Advance Hemostasis & stem cell disorders	3	Seven & eight/ fourth	MLS (PAC)
Red cell disorders, stem cell disorders, leukemia, and Paraproteinemia	3	Seven/ fourth	MLS (ESC)

Introduction to epidemiology	2	Higher diploma	MLS (PAC)
Professional ethics	2	Higher diploma	MLS (PAC)

MLS; medical laboratory sciences, PAC; Port Sudan Ahlia College, ESC; eastern Sudan College

### Supervision of researches undergraduate

Authors	Thesis title	Faculty	University	Date
Kirolas Romani, et al	ABO and Rhesus (D) phenotype frequency in blood donors at Port Sudan Teaching hospital blood bank	MLS	PAC	2008
Ibrahim Mahmoud, et al	Reference values of Activated Partial Thromboplastin Time in Adult Sudanese population of Port Sudan city	MLS	PAC	2009
Mohammed Omer, et al	ABO and Rhesus phenotype frequency in Beja ethnic group	MLS	PAC	2010
Mohammed Osman, et al	ABO and Rhesus phenotype frequency in Bani Amer ethnic group	MLS	PAC	2010
Rania Salah, et al	Coagulation changes in patients with dengue fever in port Sudan city	MLS	PAC	4/2014
Atag Madani, et al	Platelet indices in women with uncomplicated pregnancy in red sea state of Sudan	MLS	PAC	3/2015
Hisham Dirar, et al	Role of Platelet indices in women with complicated pregnancy in Port Sudan teaching hospital	MLS	PAC	3/2015
Sitana Omer, et al	Assessment of Thrombopathy in patients with renal disease	MLS	PAC	3/2016
Hisham Moawia, et al	Impact of Tobacco cigarette smoking in hematological parameters among subjects in port Sudan Ahlia college	MLS	PAC	3/2016
Mohamed Adel, et al	Assessment of iron status in port Sudan Ahlia college students	MLS	PAC	5/2016
Eithar abdalghar et al	Impact of cigarette smoking on coagulation parameters among student in Port Sudan Ahlia college	MLS	PAC	7/2017
Osama Mohammed et al	Hemostatic changes in type II diabetic patients with septic foot in Port Sudan city	MLS	PAC	7/2017
Khatir MA, et al	Determination of Fetal Hemoglobin in Vaginal Hemorrhagic Pregnant women attending Gynecology	MLS	PAC	2018

	Teaching Hospital, Red Sea State			
Mohammed AA, et al	Assessment of PT and PTT in Orthopedic patients	MLS	PAC	2018

### Supervision of researches graduate students

Authors	Thesis title	Faculty	University	Date
Mohammed Mustafa	Assessment of hematological parameters, Bleeding profile, and D-dimer among malaria infected patients in Kassala city, eastern Sudan 2021-2023	MLS	Kassala university	2021

### Referee and reviewer for international researches

Research title	Journal	Date
Role of mean platelet volume in individuals with type II diabetes mellitus	Journal of Clinical Pathology and Forensic Medicine	2015
Effects of Herbal Plants on Candidiasis Vulvovaginalis therapy	American Journal of Laboratory Medicine	2016
Analysis of circulating immune complexes and detection of microbial antigenic components in breast tumors in Anamba State, Nigeria.	Pathology and Laboratory Medicine	2016
Studying the effects of Atorvastatin on the Arterial performance of Ovary and Androgen level and Blood among those suffering from Polycystic Ovary Syndrome	Biomedical and Pharmacology Journal	2016
Study of serum level of ANA, CRP, CCP, and RF in Iranian patients with rheumatoid arthritis compared with healthy subjects	Bioscience and Biotechnology Research Asia Journal	2017
Evidence of thyroid disorders amongst Hepatitis C patients in Yaoundé, Cameroon	American Journal of Laboratory Medicine	2017
Pulmonary tuberculosis and it associated risk factors among suspected patients in Gonder, Northwest Ethiopia	African Journal of Biotechnology Research	2017
Antimicrobial susceptibility of Staphylococcus aureus isolated from patient with skin wound infection in Shaafi Hospital Mogadishu- Somalia	Journal of Bacteriology Research	2018
Salt Loosing Nephropathy in Lymphoplasmacytic Lymphoma cases	Journal of Blood Transfusions and Diseases	2019
GeneXpert's Performance in the Diagnosis of Pulmonary and Extrapulmonary Tuberculosis	American Journal of Laboratory Medicine	2019
Crossmatch to transfusion ratio as a new quality indicator in blood banking	Journal of Blood Transfusions and Diseases	2020
Determination of sickle cell crisis in Sudanese Children with sickle cell anemia	Journal of Hematology and Blood Diseases	2020
Cancer and peripheral deep vein thrombosis are both independent diseases, causes, pathogenesis, conclusion	Journal of Blood Transfusions and Diseases	2020

### Referee external examiner

Status	University	Faculty	Date
External examiner	Eastern Sudan for Sciences & Technology	Medical Lab. Science	13/9/2017
